“ I'm just so heartbroken and I miss you my friend. I will miss our one on one chats about the girls, work and everyday life. I will miss you telling me don't make me come on camera, you telling me you weren't camera ready and me every time telling you Mary Kay I don't care what you look like I just like seeing that smile. You always would make me laugh. You were a staple to our team. We all knew we could just count on you. You were an amazing coworker and friend. I will miss you my friend.

“ "There are no words to express how heartbroken I am. We 'met' 5 years ago when I joined your Team and we talked daily. I can not accept the fact I will not hear your smiley and kindest voice. You were a wonderful coworker and awesome friend. One of a kind and only Mary Kay. Love you.

“ I am heartbroken. I learned so much from Mary Kay when I started with the bank. She was more than a great colleague, she was a good friend. I will truly miss her and our conversations about family, work or whatever was on her mind.

“ I have worked with MK for many years and what a pleasure it has been. The 1st time we met, we had chocolate martinis and they were delicious. We tried getting every last drop of chocolate out of the glass! And I think we succeeded! This is just so heartbreaking and I will miss her very much. I am so glad I had the opportunity so say my goodbyes to her in person. RIP my friend MK

“ My heart is breaking for Mike, Kelly and Sarah and everyone who loved Kay. She was an amazing person and mother. She loved her family soooo much. As one of her volleyball travel buddies we would share stories for hours. She was kind, patient and always willing to help. Her smile was contagious and helped me find my light during a tough time in my life. She will be dearly missed by everyone who knew her. Prayers to her family and friends for the strength they need during this very hard time.

“ Mary Kay and I worked together for many years. She would sit with me in my cube and we would share stories, both happy and sad. We shared many laughs and tears. She was so proud of her girls' accomplishments. Her family meant everything to her, including her dogs and bunny. When I started having health issues, she'd wait on me hand and foot, bringing me coffee and running out after work to bring me a few groceries. She was such a kind, loving person, always putting others before herself. She will always hold a special place in my heart. I will forever miss my friend.

“ Kay was always one of my favorite latch key moms. She was always smiling and had such a great personality. She was always welcoming and invited me to the cottage on more than one occasion. I am so sorry for your family's loss.

“ I have many fond memories of spending time with Kay at Uncle George and Aunt Mae's home. Their Christmas parties, playing in their attic and picking snap dragons in their gardens. The last time I saw Kay was actually at her wedding 40 years ago...I moved to Florida the day after. All of you are in my thoughts and prayers.
