“ To the Family of Mary Lou,

You had such an active and fun-loving mother. Getting out with her family and friends "made her day." Mary Lou was so proud of all of you and spoke of you often.

I know how very much you miss your Mom. You should know all her many friends miss her too.

With deepest sympathy and love, Pat Hays La Societe des Jardinieres

“ Mary Lou was an angel to us all, but especially my dear girlfriend Holly Burns. Mary Lou would frequently surprise Holly by making her famous chicken enchilada dish for Holly to eat while in the hospital. My job was to guard it after it was placed in the hospital refrigerator so no one else would sneak a bite. It made Holly so happy to eat real food while being in the hospital for long stays. Mary Lou will never know what a great big smile she brought to Hollys face when she needed it most. The three friends who spent a lot of time together (Phyllis Kerslake, Holly Burns & Mary Lou) are all together now, laughing and having fun, looking down at us and praying that we'll bring the same happiness into other peoples lives, as they have done for us. RIP Mary Lou.

“ Blessed was I to have shared co-hostessing our La Societe des Jardinieres dinner with our lovely Mary Lou this past November; my heart aches even though I know she's smiling at us from the heavenly kingdom.with Tom. She was truly the life of the party and even included me in some of her family holiday parties. May the angels wrap their arms around each of you! Prayerfully grateful, Helena Thurber and sons, Peter + P.J. Muer

“ I first met Mary Lou many years ago at a Reetz Reunion at the Game Refuge Hall. There was square dancing and we got paired up by chance and had a grand time. My Mother in Law/ Mary Lou's Cousin (Phyllis Kerslake) moved from Brighton close to Mary Lou and they seemed to spend most of there time together and our family consequently got to enjoy several holiday gathering with her. Mary Lou was a great lady and would share some great stories, we always enjoied having her in the mix. She will be sorely missed.
