“ Michael and I met in middle school, we were in the same homeroom. We have been friends since. I'm certain he never missed my birthday and in the later years always called to wish my husband and kids a happy birthday too. His positivity and humor will be missed. He was a very kind soul. Rest in peace buddy.

“ Mike, may you now rest in the loving arms of God and be at peace. Will surely miss those annual phone calls to just say "Hello" & "Happy Birthday". You were a wonderful cousin and so proud that you were a part of our family. Your memory will live on in our hearts and minds as long as we live.

“ His challenges never stopped him from being a good friend. He was the one who mostly kept in touch and never once missed my birthday - remembering it with a card and a phone call. I didn't always do a great job of being his friend but he sure set the example of how to do it. We have known each other since middle school. I will miss you my friend. I will miss your call and card on my birthday this year. I will miss your dumb jokes and how you were genuinely interested in how I was doing, how my family was, etc. I will do my best to take your example of friendship and apply it to other friends. I am proud to have called you friend. Rest In Peace Mike.

“ Mike was such a wonderful man! Every year on my birthday he called me to wish me a happy birthday without fail! He had a great memory, had a mountain of trivia answers in his head. He will be truly missed, but now he can be free from his physical limitations! RIP Mike, love ya buddy! ❤️✝️
