“ We are so very sorry to hear of your passing. We hope your dancing with the Angel's. God bless your family at this sad time. You were a very kind neighbor and were sorry to see you go.

“ "For over 30 years, Nancy has been the finest, the very best of immediate neighbor one could have! We remember her children growing, the stories behind her dad and mom whom called their farmland home while raising their children in disciplines of hard work and caring for their property and family. Often I would ask a question, borrow a tool, to complete a job. Never did they not offer an advice, nor hesitate to point us in the right direction. These recent months have been difficult ones for her as she sought answers that never fully offered a peace she needed in both body and in soul. Today we ask God's hand in offering her peace and happiness in a far better pasture of peace and happiness with those she loved so well, here on earth." Bob and Cathy McCarthy
