“ My name is Pat Jones. I taught at Wilkins Elementary for 35 years. I knew your mom though that time. She would go out to dinner with all the Wilkin teachers every month. She was like a second mom to me. Would love to be included in any memorial. I can be reached at (586) 979-0460. My maiden name was Bentley. She was a wonderful lady. Please accept my deepest sympathy.

“ Andy and Beth: Sorry to see that Andy's mother has passed away. I know how hard it was for my mother when Jerry passed away - unbelievably hard. I am thinking about your father, too. Take care. Your next door neighbor, Debbie

“ Mrs Tomasi was my homeroom teacher 5th grade at Wilkins Elementary in Detroit. She truly exemplified what a great teacher was. I was new to Wilkins and she made me feel special.

“ My sincere and heartfelt condolences to all of Nina's family. It will be very difficult once again in our families history to wrap our arms around the loss of yet another cherished member of this great family. My cousin Nina gave such positive vibes with every conversation. She was a blessing in disguise and will be missed terribly. May you rest in peace knowing Our Lord Jesus has received you into His kingdom.
