“ *To the Marvaso family,  
Sending heartfelt sympathy and prayers for your family. Mr. Marvaso was my junior high school principal but I didn't really get to know him until I came to work at Fraser High School 16 years after graduating. He was a good man who loved his family.*

*May all the good memories bring you comfort during this difficult time.

“ I remember family game night at the Marvasos during our Christmas visits. I always tell people that in my upbringing, Scattergories was a full-contact sport! Norm was, to my recollection, always the voice of reason trying to diffuse the situation. We will miss his stories, and we pray for Dianne and the boys and all the family.

“ We were blessed to have such a wonderful and caring Brother-in-Law as Norman. We will always remember and cherish the warm summer cook-outs in the backyard with Norm and our other family members that have also passed on. There were the peaceful and fun times at the cabin where Norm always made sure a fancy box of chocolates was there for us to enjoy. His loving playful interactions with his granddaughters was so sweet. Norm always seemed to need their 'help' when he had a gift to unwrap or candles to blow out! Norm was always the beaming proud dad when watching his sons as they participated in sports, he was their number #1 fan for sure! It was such fun listening to Norms various stories from his youth in Detroit to his sailboat days and beyond. He was quite the storyteller with a vivid memory we all envied. We will miss Norman very much but we will never forget him. Norm was a true father in every sense of the word because if his family was happy and cared for, only then he was happy too. Rest in peace Norm. Love, Madelyn & Oz

“ So many memories, as the Marvaso home was my second home as a child. I particularly remember him dressing up as Santa Claus for one of the first Fleury-Murray-Marvaso Christmas parties. Laughing at the “skits” we staged as kids. His incredible sneeze that was so loud it startled flocks of birds in the backyard. The smell of his pipe tobacco. He taught me how to mix the perfect 7&7. At New Years in Petoskey he dragged me to Urgent Care and paid for it when I was super sick but avoiding the doctor bc I didn’t have health care. Endless games of Trivial Pursuit - he and my dad were super at it together. And he (wisely) told me that the best way to become the best teacher you can be is to reflect on your practice all summer (and he said that is what he did too, and he was right.) Yes, you were a major part of my growing up, Uncle Norm. Love, Anna
