“ Aunt Carlene was like a second mother to me. Vic and I spent a lot of time together when we were younger - both around our homes and up north in Cheboygan at Aunt Tina and Uncle Louie's house. She was a big part of my upbringing and was kind of my assistant mother. I moved away for work and have missed not seeing her as much since. She meant a lot to me and will forever be in my heart.

“ Carlene was a beloved Aunt and foster sister to my mom, Arlene Govan. Not only were they chosen to become sisters, these two ladies shared the same birthday, though Carlene was 3 yrs older than my mom. My mom and I loved going to our monthly dinners with her and her family. Their birth date is fast approaching and will now be able to celebrate their heavenly birthday together once again.

I remember when I was very young and she was visiting, I was playing with a ball in the dinning room where they were sitting (not sure why I was playing ball in the house but i was) and all of a sudden my ball went missing. Carlene was pregnant at the time but being so young I did not know that, I just saw her big tummy and went over to ask if she was hiding my ball! She said 'no, that is my baby'. LOL I will remember that forever! Rest in peace Carlene, you are at home with your LORD! 💔💔💔
