“ Pat was a wonderful neighbor and friend. He and Irma helped make our neighborhood a nice place to live. We'll miss seeing him sitting on the front porch enjoying a nice spring or summer day. We'll miss our summer evening visits while sitting on the front porch with him and Irma. Through his stories, you could tell how so proud he was of his children, grandchildren and great-grand children. He is once again sitting in his white porch chair, next to his beloved Irma forever more. Our thoughts and prayers for the McCarrey family during this difficult time. -

“ I worked with Pat and Irma when they were young around the time that they married. They were both pleasant, outgoing and reliable friends. I am sure they maintained these traits throughout their lives. God Bless.
