“ I could never put into words how much my dad meant to me, or how many memories I have of him. I don't think there is enough space anywhere for those words, but I know I wish every child could have a father like our dad. He was a kind and loving man, he was devout man in his belief and never had a bad word to say about anyone. The greatest gift he ever gave to me was leading me to the Lord. So I know I will see him again some day. I don't know how to put into words how much I love him and will miss him.

There will never be another man who gave such a great example of how to be a man and a husband. He will be sorely missed. This world lost a ray of sunshine. God bless you. We will miss you greatly and anticipate the day we will see you again.

I love you forever

Your loving son Mark

“ *Daddy O,
I love you more then words can say. You were a loving,
caring and gentle man who always saw the good in others.
I will miss you beyond words. You are always in my
thoughts.*

*Nature's first green is gold,
Her hardest hue to hold.
Her early leaf's a flower;
But only so an hour.
Then leaf subsides to leaf.
So Eden sank to grief,
So dawn goes down to day.
Nothing gold can stay.*

Robert Frost

You were absolutely one of the golden ones.

Until we meet again, stay golden

“ My father in law Paul was a very kind and loving man. So many memories of time I shared with him warms my heart. We would talk for hours at a time about so many things, especially cars. A big salute, thumbs up and a wink to you Paul!, Just like we always did. You will always hold a special place in my heart.

“ On behalf of the Barnwell family, we are so sorry to hear of your father's passing. My dad worked at Cross Company with Paul many years ago, and when my siblings and I were young we spent many memorable times at your St. Clair Shores home, swimming and playing with all of you. Your family always made us feel comfortable and like part of your family. These memories we cherish. We pray for you all. Renee Barnwell Theisen

“ My Dad was old fashioned and came from a time when family unity was priority.. My admiration for my Dad and his brothers alike were plateaued with stories he use to tell me on how his brothers and himself stuck together and always catered to their mother.

God bless you Dad and may your wings spread vibrantly for your eternal journey.
