“ *How can I share just one memory? There are so many happy wonderful memories with my aunt Pauline! She was the life of the party she loved life and love to live. She has very encouraging words and wisdom that I will always remember. She taught us how to play a games And hard to appreciate life. Most of all I know that she knew Jesus she is in heaven rejoicing all of us have gone before her. I'm so sorry I had to miss her funeral due to Possibly exposing someone to Covid without knowing yet. I'm so grateful I got to see her in the last couple months and most of all I know I will see her again. Praise God.*
