“ *Mrs. Waleskowski, Keith, and Adam, I'm so sorry for your loss. I have many fond memories of badgering referees right along with Mr. Waleskowski. Even though I was never on the same team with Keith at Alter, I remember him being at many of my games as well and always had a nice word or two to say to our team win or lose. Definitely someone I will never forget. All my best to you all.*

“ *Chris, sons and family... “the early stage support group” is sending healing prayers and comforting hugs to you. Chris, you have been there for us for years and now, we hope we can embrace you. You have made such a difference in our lives with immense compassion and support as our facilitator in the support group program thru Alzheimer’s Association. We wish you strength and comfort in the days ahead. You have been a top fundraiser with thousands of \$\$\$ each year as an individual for the “walk to end Alzheimer’s “ and Pete was always there with you to support you and your talented crafts. We enjoyed his smiling face when he was able to join us for our Friday morning breakfast at Wolfgang’s and other events when he wasn’t traveling. Please let us help you now in any way we can*

“ Dear Chris, Keith, and Adam, I have such wonderful memories of our times spent together during those Alter basketball days. Pete was always such a presence and people just naturally gravitated to him! I am so so sorry for your loss but all who knew him will carry wonderful memories of him. I know I will! You are all in my thoughts and prayers.

“ As my little brother it was hard to see him beyond the gangly pest, playmate and cohort in childhood crimes. Then our lives moved apart both physically and emotionally as our own families grew. Family traumas brought us back together and I came to see Pete in a whole new way. He was so very capable, competent and selfless as he became the family rock. I am SO proud to call you my brother.
