“ *We extend our condolences to the family at this time of great loss. Phyllis was a lovely lady who shared her hospitality with grace. She will long be remembered as a powerful woman of God who always greeted people with a kind smile and an encouraging word. We pray that the Peace of Jesus will envelope the family with the assurance that Phyllis is resting in His arms and is home at last.*

“ Dear Mr. Nelson, Jan, Dave and Family,

*I know the mixed emotions you have with you dear wife and mother's home going. I will continue to think about and pray for the vacuum that is left. Thank God for his comfort at these times when we can't go anywhere else.*

*Your mom was an amazing person and she will always be remembered as a pillar for Christ in and outside of the church walls! We all have some huge shoes to fill in the absence.*

*Love and prayers,
