“ My Auntie P., my godmother, part of my heart, has joined the angels. She is already so missed by so many.💔

🦋 To say she was lit up and glowed while around any gathering of people would be an understatement. She lived for her people, and everyone she met became her people. She loved sitting in the sun ☀️ and admiring her flowers 🌺 too, although sitting was not really her thing..lol she was always on the go to be with those people!

Dan I know she has you zipping around up there 🙌.

Auntie...I pray you have found the peace and grace you are owed. You taught me so many things, the least of which was how to fight with grace and dignity. 💕

Love you more and always.

Hug your PEOPLE people. Until we hug again, your goddaughter signing out.

“ Aunt Priscilla graciously shared her life and joy with all who knew her. I am so thankful for her sweet cards and letters over the years, and the phone calls that always included her beautiful laugh. I love that she shared Hart Lake with us so willingly, and will remember most dearly the times we floated in the water and chatted as long as it was light.

Love you, Aunt P :)

“ Our sincere Condolences go out to you Amber & your Dad. We first met her back in the days of Boy Scouts at Fillmore. Always enjoyed seeing Mike & Priscilla at St. Blasé. Totally enjoyed our lunches with Marlene & Rosemary. She was the epitome of a great lady. May God have a special place in heaven for her. All the O'Briens 🙏🙏🙏

“ Our hearts go out to Mike, Amber and the whole Family.

We've had wonderful memories with Priscilla and Mike and the Hartshorns on many get togethers over the years. Mike, Andy and Jim all worked at Ford Motor Company and became good friends, which also included their wives. We would get together several times a year at different restaurants and at our homes. We shared two marvelous vacations with Priscilla and Mike. One was a tour of the National Parks and the other was a tour of California from San Diego to San Francisco. We couldn't have asked for better friends, "we will miss you Priscilla".

I remember the day way back in the early 60's when Mike, my handsome young cousin, introduced me to his special girl, Priscilla. I knew then, that this was a special relationship. Just the look in their eyes and the sweet thoughtful way they interacted said it all. It lasted all these years. The caring and the love were key to the rest of their days together and grew to include family, friends, neighbors and whomever they could help. Priscilla's warm voice and wonderful laugh, her kind and thoughtful personality were paired with a spirit of strength and determination. These qualities took her through the happy days. They also carried her through the challenging days. Hers was a life well lived. The beautiful Priscilla will be missed by all who knew her, but especially by Mike and Amber. They have been through a lot together. That bond is not broken, her spirit is with you.

*Take Care,
Cousin Joannie*

“ *Aunt Priscilla was a beautiful storyteller. She paid attention to and noticed details that no one else would pay attention to. Anyone in her life, knew In great detail about everyone else in her life. She remembered birthdays, anniversaries, how many children people had, and what those children grew up to be. There are so many places I feel I’ve been because she shared in great detail, her own experience. I’ve known her 59 years, and will very deeply miss her, and how she lived. I love you Aunt Priscilla, Suzy*
