“ I just found out today of Ray’s passing. I’m so sorry I missed the funeral. Ray and I shared many a laugh and a couple of beers along the way. He was one of my closest friends when we were in our twenties and remained one later in life. Our loss is heaven’s gain.

He will always reside tops on our Becca List of those who acknowledged her and hugged her and laughed with her. A deep felt hug for all of the family as you care for each other and know your mom and dad are together again. Love and Blessings to you all, Michelle and Chris Laffoon and Family (cousin of Andrea)

“ *I am so very sorry for your loss. My condolences to all of the Huddas family. I have such wonderful memories growing up and spending many Summer Sundays at the "cottage" with all my cousins. Raymond was a big part of that. You knew he was around because he was so loud and boisterous, always such fun. Even though he teased me every chance he got, he was such a wonderful cousin. He had such a big heart.  
I will forever smile when I think of him.*

*Rest In Peace, Raymond.*

He set the example for how everyone should be. Always there. He was also a great friend to the Fultz family. Godfather to Jillian. We were blessed to have known Raymond for 50 years. His loss forever leaves a gaping hole in our hearts, Colleen Steve Jason and Jillian will always have a special place in their hearts for him as he did for all of us... We love you Raymond

“ *Ray was always welcoming to all. His love of and involvement with his family will always stand out. He and Andrea were true partners that supported each other. Way back when I remember Ray getting up and beginning to clean up towards the end of a party so Andrea could continue to visit with myself and Margo. Their get together were always memorable and included everyone. His grandchildren were precious to him and who he would do anything for. Ray leaves behind a huge whole in our lives.*
