“ *My deepest condolences to Nancy and Rachel as well as his extended family. I only knew Rick as a “work Rick”, until I viewed the video. Then I saw a side of him that I didn’t know. I want his family to know that as a supervisor, I respected him as an employee. He was a good man, a respectful man and a hard worker. It breaks my heart that he had to leave you so soon. May you find peace in all of your fond memories.*

“ *I have so many great memories with Rick and the whole DeHosse family it's hard to pick just one. I will always remember when we were kids carrying our hockey sticks and skates around the city looking for ice to skate and play hockey on, after finding the rinks all were busy we would end up on lake St clair and would be out there for hours chasing pucks and having a ball.  
I couldn't have a better friend than Rick and he was the best Godfather to both of my children! Rest easy my Brother, we'll skate again one day!*
