“ To the family : You have my deepest and most sincere sympathy. Dick was once a Senior Auditor under me when I first became an Audit Supervisor in the Pontiac District Office in 1987. I remember him as very knowledgeable and a jokester at times.

I am praying that God give you strength to endure this great loss & that he grants you peace.

“ I first met Richard when we were both auditor trainees with the Michigan Department of Revenue (1963). We roomed together when we attended auditor training in Lansing for 3 weeks we worked in the audit clearance section at desks facing each other for 2 years as we eventually became trainers for new auditors. Later we worked individually on our own audits, but we did work together on out of state audits in Florida and Illinois. I introduced Richard to his future wife Marcia, who was my sister-in-law. Richard and I eventually worked in different areas , but remained friends through all of the years. After our retirements I saw Richard monthly at our retirees luncheon, however because of Covid we haven't had those lunches since early 2020. That's a friendship of 59 years!
