*He was an amazing father, grandfather, and man. Everyone he came across he welcomed them with open arms and would talk to them like they were family. In this day and age it is truly a special quality. It's going to be difficult to continue going through all the kids firsts or just life without being able to pick up the phone and talk to my hero and best friend. The world will miss his smile, teary eyes when he is proud and his one liners. Just felt he deserved a memory on his wall. Love you dad!*
