“ Mo, I'm so sorry to hear about Rich's passing. As others have said, he was one of the calmest, kindest men that I've encountered.

As far back as I can remember, he absolutely glowed every time he looked at you.

Rich was admired by many, and missed by even more. Bless you, Mo.

“ Some words of comfort to Mo, and to the entire Waller family...
"Our lives can not be measured by the breaths we take. But, our lives can be measured by the moments that take our breath away." --Hilary Cooper

Here's knowing that Rich enjoyed many, many such moments during his all-too-brief time here with his GM family.

“ *Mo and Family, so so sorry to hear of Rich passing. I remember meeting Rich and You at the Holiday Inn in Bowling Green at a Corvette Event. Evidently You and He had just married as he spoke with Love how lucky he was to have married this Redhead Beauty. I will always remember the smile Rich always had on his face, his calm demeanor and Love of Corvette and Family. We all lost a Good Friend, You and the Family will be in my thoughts and prayers for the difficult time ahead. Always, Henry Younger*

“ *My sincerest condolences to Mo and the family.
Rich (and Mo) were one of the first couples to 'welcome' us to the GS family. almost 10 years ago.
I always looked forward to my conversations with Rich at FunFest every year when we would chat about photography and cars...including non-Corvettes :)
Our group, the automotive community, and the world as a whole has lost a wonderful human being...
Sending prayers your way.*

“ My heart is heavy. A friend who was more like family. Our love for the Corvette introduced us but our friendship was destined. Will forever be grateful for Rich's friendship, mentoring, and genuine interest in everything I did. Recently spending an entire day together at Carlisle running around while laughing, reminiscing, and simply enjoying each other's company is one I'll hold close forever. Sending comforting thoughts to Rich's family and my deepest sympathies and love to Mo.
