“ Robert was one of the nicest men I ever worked with. He was always smiling. He loved his family - he loved life. He always had a positive attitude- he will be missed. Rest In Peace Robert - Heaven just received another angel.

“ I am so saddened to hear of Bob's passing. I worked with Nancy for several years at Henry Ford Hospital. Our husbands were going through serious illnesses at the same time. My heart goes out to Nancy and her boys. Thinking of you all and sending prayers.

“ *Cousin Bob, I can't think about you without a smile coming to my face. You were always so funny, caring and interesting to be around. I'm comforted by the fact the Lord has a place at his table waiting for you but sad your not here with us.*

“ *Bob, I have no words. I am devastated by this. How do I say goodbye to a friend that I've known since we were 15? We had a lot of good times and I always knew that I could count on you for anything but mostly to tell me the truth when I called to complain about something. I know you are in a better place and pain free now; however, I will miss you everyday. Thank you for sticking by me all these years! Love you my friend! Susan DeLong*
