“ *Dear Family,*

I am saddened by the passing of my friend, Bob Dueweke, who I have known since childhood. He had an enduring presence in our family, most importantly, for my brother, Walter. He and Bob were lifelong best buddies beginning in early school days. They ended up on the same troop ship to Korea, spent time boating on Lake St. Clair and were involved with each other's family activities throughout their lives. I was fortunate to be included in many of them and able to know all of his children. Recently, he and I reminisced about many of those those events. I will always remember his laughter and sense of humor. He was a good person and I will miss him. On behalf of myself and my nephews and nieces, I offer condolences to all the family.

Sincerely, Bonnie Heinz
