“ I am so shocked to read about Bob's passing. I had been thinking for a few weeks that he hadn't posted anything on Facebook, and tonight I decided to check FB and saw his daughter Amy's post about his death in September. I am very sorry I didn't know at the time; I would most certainly have honored him at his service. We were great friends in high school. He was always kind to me. As well as kind, he was a sensitive and caring person. One of the really good ones. RIP Bob. Sincere condolences to Jane and his children.

“ I just learned of Bob's passing. I last saw him at our Austin alumni golf event in June and we shared a few laughs. I met him in the early 60's when we both worked at Sears at Motors and Mack. He worked in the paint department and I was a stock boy. I learned how to play cribbage by watching him at lunch every day. He was a good guy and funny then and until I last saw him. God bless you Bob

“ One of the kindest men I have ever had the pleasure to meet. Bob will be greatly missed by our golf group in FL. No one shined as bright as Bob in his colorful golf clothes. Rest In Peace, Bob.

“ I'm so sorry that I can't be there today. This weather has my asthma in an uproar. Bob was very special to me. We spent a lot of time together in the office. It wasn't just a job I was going to every day it was my second family. Al, Bob and I became a family and we shared our Happiness our Problems and our Lives with each other. We laughed and cried together because we Loved each other. Bob will be missed but never forgotten. He was a kind sweet caring guy who could always make you laugh with one of his jokes. He taught me that Family Always comes first. I'm sure everyone knows how much he Loved his family. They were his world. Rest In Peace Bob. As you said you will always be one of my Bob's 💜💜💜. “ My heart felt condolences to the family. Bob will be missed and remembered as a friend and Golf Partner at Sycamore. A kind man who always had a joke or story to be told. When we played in our employee tournament I will always remember how excited and happy he was after chipping in for an eagle! God speed and God Bless!

“ Bob Maddigan was among the nicest people that anyone would want to meet. He was always pleasant, humorous, colorful, and a delight to be around. I played on a golf league with Bob for at least the last 10 years. Everyone enjoyed his company and he will leave a lasting impression on all of us about how to enjoy life! He will be missed, but certainly not forgotten!

“ Bob made all of metro Detroit feel like one small town in the very best of ways. At every point in my life when we crossed paths he was always warmly interested in what was happening and he always had a connection to whatever was new – “Got a new job at _____.” “Oh you must know _____ or _____.” “I’m looking to get a new car.” “You have to go see _____ at _____.” The man was personally bringing the world together a couple people at a time simply because that was his nature. Never met a cooler dad. Never laughed harder. Never felt more automatically welcome. Going to miss Bob tremendously and want to say one last time “Thank you” for including me in your life and creating such a terrific family to share with the world.

Love you Bob,

“ Mr. Maddigan was an all-time great guy. The Maddigan house was always open to Amy, Joe and Emily's friends. A warm, welcoming home with Mr. Madigan holding court in the living room. I thoroughly enjoyed every round of golf that I shared with him and Joe. There was always a story about a recent outing that he participated in where he formed a team of ringers including Joe. I think the secret weapon was his ability to "slice" putt.

Rest in Peace my friend.

“ So sorry to hear of Bob'S passing.
We have great memories of Bob at Pelican Landing. John really enjoyed golfing with him. And, we both enjoyed the golf dinners and his jokes. He was always upbeat and friendly. He will be sorely missed.
Our thoughts and prayers are with you all.

“ Dear Jane & Family,

What a shock! Bob's was a good friend who loved his family, Fraser kids, and Fraser athletics. During my athletic director days, Bob was a driving force behind the success of one of the department's premier events, the Charley Brown Golf Outing. He was involved in the course selection, arrangements, golf side-games, and most importantly, obtaining prizes. Bob helped keep the focus of the outing on engaging Fraser Athletic Booster Club members. The outing was a fun, community-building day that fortified the slogan of "Fraser Pride." The outing would not have been the same without Bob's selfless work.

Bob was a strong supporter of all Fraser athletics, but my experience shows he was partial to softball. Daughter Emily excelled as a pitcher and led the Ramblers to a District Championship. Bob & Jane were part of a rock-solid parent support group for the softball team. They helped create many positive memories for the girls on the field and other parents in the stands.

Besides his support for athletics, the other thing I will always remember about Bob is his bank of jokes. Truthfully, most were of the Henny Youngman, groaner variety. (The reference dates me but also dates the jokes). It was not unusual, especially in my A.D. days, that Bob would call once a week attempting to lighten my load with a groaner. He was a happy guy who seemed to get happier by serving.

Sympathy and prayers to Jane, Amy, Joe & Emily. Bob was a great guy. May he rest in peace.

“ *Bob was such a warm, kind gentle man. I remember him coming in every morning to our office. Consolidated Agencies to touch base with his long time "buddy" Buck Jerzy. His silly jokes and stories made our mornings. He would then go about his day, after brightening ours. He will be dearly missed. My sincere condolences to his family.
