“ *I would see Bob sometimes at my uncle Don & aunt Bonnie's house. He was always so welcoming, kind & fun. He was the person everyone wanted to be around at a party, and the person you wanted to talk to if you needed some advice. He was so much to so many people and will be missed dearly. I am grateful I got to know him in this life and wish his family peace during this very sad time.*

“ *Bob and Flo are the best friends and neighbor that the Smith family could have ever had.*

When we came looking at the house next door to Bob, from that first time he told Flo, "We have to make sure they buy this house". Having been neighbors for 20+ year we shared enough memories that will last us forever. Long summer days out by the pool (spa before that) listening to "tunes" and sharing anything that happened to come to mind. Not enough time or space to write it all down: Dinners, Parties, Cards, Morning Coffee, "we" projects, Aruba Vacation, time spend at the Ranch, Holidays, playing Jarts, Michigan and Aggie football games, just no way to list all the good times and laughs we have had together. We love the Miller family and cherish all the memories.

Miss You Poon love you,

“ Our across the street neighbors and no one could ask for a better neighbor than Bob and Flo! Our favorite memory was the laugh Bob made while outside of his condo of my then 5 year old nephew who learned how to use a water nozzle on the end of the garden hose when his uncle Benny was washing his Oldsmobile. I showed him how to use the nozzle to water the shrub by the garage and told him this is how you water and make things grow. And that the same thing would happen if you watered Grandma. Nephew turns and looks at me then runs with the hose to spray Grandma! As she's screaming Bob was laughing his “ back end off “ as my mother was screaming then telling her grandson to spray uncle Benny too! 🤔🤔 Bob witnessed the whole blessed event and I'll never forget the laughing. He utterly couldn't stop! Rest In Peace our most Dearest Neighbor Bob And May the Peace of the Lord be with your family as they mourn the loss of truly truly a great Husband , father, grandfather and great grandfather and one of the best neighbors my family ever had the honor to live next too. Find my Dad Bob. You and he can continue the laughs together in Heaven 🙏📖

“ We were lucky enough to have Bob & Flo as our neighbor for 2 yrs. We met Bob as we were preparing to move into our new home. As we were backing into the driveway we were greeted by a man with a huge smile telling us his name was Bob....and asking if we were his new neighbor. We introduced ourselves and sensed we were lucky to score Bob & Flo as neighbors. Our condolences to Flo and his family who we could tell adored him. Rest in peace dear neighbor.

“ I have so many fond memories of Bob (The Poon), Flo and his family. I remember the fantastic Friday night dinners at restaurants in Dallas area with Bob and Flo, spending the night at their home then on Saturday morning Bob and I would do 10 K runs around the DFW area followed up with setting in the hot tub drinking a few “ cold ones”. I am very fortunate to have spent so many holidays with the Miller’s in Texas. We also took trips together to Michigan for long weekends to watch his Wolverines football games.” Go Blue”
God 🙏🏠 Bless you Bob and Love you and Flo and your family.

“ I don't know what to say other than Bob was the kind of person I always enjoyed being around. Very upbeat and positive. Always there for you. Shelly and I often talk about the good times had with him and Flo. I know he has already organized a party or two. Hope he looks up my folks up there, they can share more stories of growing up in Detroit. Love you Bob

“ You were an exceptional gift to this world and to the Charla Little Sixers group of drama kids. You and Mrs. Miller supported David AND ALL of us for six years while we worked together, competed together and loved one another dearly. We love the Millers dearly!! We all remember you as the life of the party who could dance across the room on two chairs (including at my wedding!!)! You will always be loved and greatly missed. I am so grateful to have the memories I do (including you having a beer with David after our big win at state...Charla said "Well, he's your kid, do what you want just don't give another kid a beer!"). The angels were never so glad to welcome someone home as they were you...Heaven is much more fun these days!!!!
Love to you and your beautiful family!!

“ I got to know Bob in 1972, from working with him at General Magnetic, in Detroit and then in Dallas when the plant moved there. Bob was a fun loving guy, and will dearly be missed.
Ron Miller

I met Bob back in 1986 when I moved to Dallas. Bob and my husband both worked for the same company. Bob knew I made Christmas stockings and in 1997 he asked if I could make stockings for their Grandchildren. Even after they moved back to Michigan, I would get a call or text when another Miller baby was born. I have had the honour and the joy to make 13 Christmas stockings for Bob and Flo's Grandchildren and Great-grandchildren!! If any more stockings are ever needed, please contact me as I would like to keep the tradition that Bob started going for his family.
With sympathy,
Leslie Miller

“ My husband and I bought Bob & Flo's Tx home. From my days of living down the street with my parents and visiting Debbie here, the home always had a warmth and welcoming spirit. We have many great memories in this house and remember well Bob's infectious personality filling it. To this day, at times, we refer to it as Bob & Flo's house.

“ *We will always cherish the time they came to our Family Christmas (after not seeing Bill for several years) it was my surprise Christmas present to Bill. It was the best present, he was so surprised to see him & Flo and everyone had a wonderful time. Another great Memory is the time we rented a condo in the same complex with Bob & Flo, in Ft Meyers, Florida for a month..... what a wonderful time we had.*

So I asked Bill if he had story to tell.... He said “can’t put most of them in print”, LOL.

But he did say: “RIP my buddy; Love you POON”.
