“ *My heartfelt condolences to Bob's family. I worked at the west entrance of Beaumont Hosp. and knew Bob well. We shared many conversations on the afternoon shift. We shared recipes-talked about food a lot. Bob and I were supposed to go to lunch until all this virus began. I never got to talk with him again. I called him today 12-29-20 and his phone was disconnected. I'm so grieved that we didn't get together in time. He was a dear man; will keep him in my prayers. I know he's at peace. Connie Steiner*

“ *Hi my name is Michael P. I used to work with Bob before he retired from Beaumont in housekeeping department. He was like my extended dad at work. The kindness and pure of heart is with him... you can tell by the way he will talk to you and the respect that you'll feel is vice versa. I'm so sorry for the loss of his family but we know for sure that he is looking down to us here from heaven.*

“ Linda I am so sad to hear of Bob’s passing.
I hope you will let us know when you have the memorial.
I know last time we spoke you were looking for a place for him to live but did not know how bad it was.
We can remember all the good times we had on Louisiana.
Give me a call, I have left many messages I may have an old listing.

“ In a world where you can be anything, Uncle Bob always stayed humble and kind. He lived his life with simplicity and a heart of gold. He greeted everyone with his tender smile and his genuine personality. Uncle Bob was courageous, honest and so loveable. Through all his pain and grief his deep faith gave him the courage and strength to place his burdens into Gods hands. We will miss him everyday for the rest of our lives. May he Rest in Peace.
