

Robert John Zalewski

April 30, 1942 - November 5, 2021

Zalewski, Robert. November 5, 2021. Age 79. Beloved husband of Beverly. Loving father of Jared (Susan). Dearest grandfather of Sparrow, Ranen, and Winter. Cherished brother of the late Marlene (the late Ron). Survived by many loving cousins and friends. Robert loved the Lord Jesus Christ and spending time with his family and friends. He was an avid golfer and much of his time was spent on the golf course with his son Jared in the early morning hours and his "Brothers" Richard and Bob. To my dear brother-in-law, Bob. Thank you for being a faithful and loving husband to my sister, Bev. Thank you for the countless wonderful family memories we shared these past 50+ years. You gave us strength through your faith in our Lord Jesus Christ, a beautiful son to carry on your faith and family legacy, laughter and memories to last a lifetime, and now sadness and tears at your passing.

“ *Aren't enough words to express our love and loss for this dearest cousin. We grew up next door to one another and shared every chapter of life side by side. Shared so many memorable experiences with our motor homes and many cousins. He was such a remarkable person in every aspect. No one could ever match that smile, laugh and attitude and love of family and life. So much love and condolences to this wonderful family. Linda and Jerry*

“ To Bev, Jared, Susan, and family, our deepest condolences to hearing Bobby passed. A rush of old memories come back. Our earliest A L Williams days especially. Those were one of our most favorite times. Bobby was always recruiting and spreading the word of the company, and no one was better. I still use Bobby's inspirational story of how he quit smoking one day at a time, it has helped so many. His cars were always the sharpest on the road, and when it came to his golf game, well he looked and played like Ben Hogan the all time great. Most of all his deep love for Bev, Jared, and family. He was a great inspiration and role model as to what a family man should be.
