“ *Marianna, I was sad to learn of your Mom's passing. I would see her so often when I visited my Mom at the home. Your Mom was a delight and always with a smile when I saw her in activities or out and about the home. She will be missed. I will keep you in my prayers in the days ahead.*

“ Marianna, Although I never met your mom, I know she must have been a wonderful woman to raise such an incredible daughter. The smile on your face every time you spoke of your mom told us all how much you loved and cherished her. You have been a shiny example of what a mother and daughter relationship should be like. I know your mothers memory will live on forever in your heart and as you share stories of her. Prayers to you and your family through this difficult time.
