“ To Phyllis and the Miller family my deepest sympathy for your loss. I am sorry for my late condolences here, however, I just found out today that Roy had passed away in 2022. Actually I happened to be standing right there in front of his crypt. My husband and I have purchased the crypt right next (Giuseppe and Josephine Russo). I was looking for another deceased friend of ours that was close by and then saw him. I worked with Roy at TACOM in Pricing in the early days when he was wearing his uniform and would run into him from time to time before I retired in 2011. I remember his smile and that pipe he always had. He was always kind to me and so dedicated to his work. It is a comfort to know that when my day will come, we will be neighbors. Roy Rest Is Peace and my prayers to you Phyllis and your family.
