BOYCE, Ruth G. (nee: Arnett). September 11, 2020. Age 97. Beloved wife of the late Lester M. "Bill". Loving mother of Robert G. Boyce (Blanche), Beverly G. Hofeling (John) and Betty Firman. “ *“A merry heart does good like medicine.” Who could be sad around dear Ruth? She radiated God’s love and the Joy of the Lord even with her Facebook posts of requests for prayers for the sick, hospitalized, shut-ins, and surgical recoveries of those she mostly had visited herself well into her 80’s and even 90’s! No wonder the Lord gave her so many years of life! He used her to bless His own in need. Such a ministry of love and mercy was hers. May we all continue her legacy as the Lord calls. Thank you dear family and friends of our Ruth for sharing her and loving her back. She is sorely missed as my tears flow writing this. I can only imagine her love, joy and peace in Glory with the Lord!*

“ *Sympathy to the family and friends. I haven't seen her in years. I am youngest daughter of Brell & Louise Hudkins Strader. I was friends with Ruth on Facebook and was amazed at how good her mind was every day. She shared all of her hurdles daily along with Bible verses and concerns for all of her family and friends.*

“ *Aunt Ruth was the best aunt ever! Enjoyed her visits with our mother every summer. The house would just ring with laughter as they told stories of growing up in the country. Just loved her laugh! Always went for rides to show her all the changes in the area she grew up. The summer before her brother, Uncle John passed was extra memorable. The three had a ball and I was usually their chauffeur. I enjoyed it so much! She was our rock when our mother passed in 08 and we tried to bring her to WV every summer till we were afraid too cause of her health. Have tried to come see her every spring and summer since. Just wish we could have come one last time! Love you Aunt Ruth - till we meet again!*

“ Will love and miss her deeply she had been our rock since Mother passed. We so enjoyed her visits when she would visit in the summer. She always had a place she wanted to see. We would pack a lunch and spend the day sightseeing. Wish we could have made our annual visit this past summer. She told us 2 wks ago she wished she could squeeze us, we did a virtual hug. Will cherish the many memories forever. Love you💕💕💕
