“ There are so many special memories in my heart and I found it terribly emotional when Sally's lilacs went into full bloom the morning of her passing. She would have loved that.

Sally was always spreading happiness and laughter. And.....gosh, what a flirt! It's most likely Sally and Vickie are kibitzing with Jack on fixing everything in heaven.

We'll surely miss you, my friend.

With love, Jan and Murphy. ❤️

“ Sally was so sweet! Her smile lit up the room! Her knitting and crocheting talents were absolutely amazing! She made us all something at some time or another. My girls baby blankets to Stephane's hat with a hole for her ballet bun! Her cooking was like no other too! Best pierogi ever! Sally was a kind and gentle soul. A beautiful person inside and out. She will be missed! Heaven gained another angel. Love you Sally. Cousins Laurrie, Ray, Tiffany & Stephanie

“ Cousin Sally always provided us with penny candies in a little brown bag when we went to Marine City. Would send me the Necco candies in the mail in time for hunting. Always a beautiful smile and love her laugh. Sally had love for all. Love you Cousin. You'll be missed. ❤️ ”
