“ *I worked with Sebastian for over 25 years, he always referred to me as \*My Rita Hayward\* I looked nothing like the beautiful RH except in Serb's eye...lol . I could be walking down the hall and would hear his voice behind me....HEY RITA! Sebastian was the kindest person I ever knew, he also had a great sense of humor and there were many times he had me cracking up over his stories and antics. My condolences to his family and friends, he will be missed, his memory will live on in all those who were fortunate enough to know him ❤️🙏*

“ *I always remember Sebastian being at family functions. He always made you feel like family. My daughter Brittany and I will always remember his hugs. When he saw you he would always give you a big hug and when he left he would give you another one. He was always so generous and would invite us to his pool in the summer time. And Sebastian would love it when I would give him my homemade Belgium Cookies at Christmas Time. He was such a special person that he touch your life and you were better off just knowing him. He will be missed and Brittany and I will always have happy memories of him.*

“My sincere condolences to Sebastian's family. What a tremendous loss of a wonderful man. I worked with Sebastian for many years, there was no one kinder, more sincere, he was simply the best. I can hear his laugh and remember those great hugs.

“I have so many treasured memories growing up with my brother Sebastian working summers with dad on the fruit truck. I can remember dad dropping us off on the streets of Detroit with peck baskets in hands filled with 4 quarts of strawberries in each. He was on one side and I on the other. Knocking door to door trying to sell the strawberries. This somehow always turned into a race to see who could get to dad's truck first at the end of the street. To us, it didn't matter if we sold anything, we were brothers just having fun. Or all the times we tried catching minnows with pieces of bread in Farmington Hills and West Bloomfield. Saturday afternoons were spent watching American Bandstand and Soul Train. The reason why he's such a great dancer and always dressed so fashionably. My brother knew he wanted to be a nurse before he was in high school. He started volunteering as a candy striper at Saint John's Hospital then worked as an orderly before becoming a nurse in the early 80's and ultimately a CRNA. My brother is a very caring person who loved to help people. Sebastian lived by family values which were instilled by Mom and Dad. He gave his heart to Jesus 🙏📖 and fought the most courageous fight like no other. I'm so blessed to have a great brother. These treasured memories will be forever etched in my heart and will last my lifetime until we meet in Heaven. I love you❤️, from your brother Sam
