“ *We have so many great memories with Sleiman. He was always kind and welcoming to all he met. Sleiman gave us and shared many laughs over the years. He will be missed more than words can say. There's not a church function, convention, or wedding where if Sleiman was there, you knew you were going to have a great time. He always watched out for all of us and treated us as his own. Our deepest condolences to Cookie, his family and friends. God rest his soul.*

“ I love you and will miss you so much! I have many fond memories. One of my first ones when I was very young, Sitto and Gido lived on Beaverland. You were just learning English and we were sitting at the table helping you learn. You were so cute 💕. You were a very special man, full of love. I will truly miss you.

“ Sleiman, thank you for bringing such fun to all of the family events! Loved how you danced the dubkeh, you showed us how it was done by bringing such a rich flavor of our middle eastern culture to all of the weddings. Best of all, you could take a joke, loved the crowd and brought electric energy to every room you were in. Not only fun to be around, but a serious and reverent side, as you honored God in your responsibilities at the church on the altar. My birthday buddy; a good mix of being boisterous, sensitive, serious and fun, all at the same time. The family will miss you for sure; you will never be forgotten, may your memory be eternal. Praying you are in the glorious afterlife with all of those whom you loved that have passed before you. And I hope heaven has plenty of sandwiches for you. Your cousin the fahnassa, Renee' D'Addezio,
