“ I'm so sorry for your loss my cousins Your parents were always the most kind and friendly people. I will always remember our Sansone picnics and of course visiting the Dairy Queen up north with them. Last time I saw them at my dads funeral I had such a nice conversation with them and learned some things I never knew about the 4 of them. Seems they had many many great times together I'm sure they're glad to be all back together again

“ It's sad to lose an original Ardmore Park “family” member. His superior lawn will never be matched. I have been blessed to grow up with this family just a few houses away. I know that he has returned to his wife in heaven. He was truly blessed to be surrounded by such caring and loving sons!

Prayers and sympathy for the family.

Love,

“ Stan loved playing games and loved winning even more.! He always had room for his APPLE PIE dessert, and had more interesting stories about his life than anyone I ever met.

He certainly will be missed by all who knew him! God bless him!
