“ Our condolences go out to Gerard and Caroline and children, Elizabeth and her children and her dear sister, Mary, and Goddaughter, Roseann, and the rest of the Ancona and Nicosia families.

*Aunt Stella was a wonderful woman, a hard worker and an excellent baker and cook. She was famous for her cannolis. She lovingly gave them out to many of her relatives, friends and acquaintances, especially at Christmas.*

*As a tribute to our 50th wedding anniversary, at 96 years old, Aunt Stella baked several dozen cannolis and had them delivered to our anniversary reception. Several people commented on where we purchased these delicious cannolis. When I informed them that my 96 yr. old Aunt Stella made them, our guests were astonished. I called her to tell her how everyone loved her cannolis, and she was very pleased to hear about the compliments.*

*Aunt Stella will be missed for the compassion she had for others and her big heart! She has joined her husband, Uncle Andy, and son, Andrew, Jr. in Heaven for eternity.*

*May God bless you always, Aunt Stella.*
