“ He was always so helpful to me when Gary was out of town. I knew I could always count on him.

I have the fondest memories of him taking the kids to the pond and so many others. He was a wonderful, caring and loving man. I was blessed to have him as a neighbor for 21 years. I was shocked and saddened to learn of his passing.

I will be praying that you find some comfort in happy memories during this time of sorrow.

“ Steve was my oldest and dearest friend. For more than 50 years it's been an honor to have him in my life. We first met in grade school where we shared a love for skiing and golf that has lasted a lifetime. Steve would often talk about his family's annual ski weekends up north. How much he enjoyed them. Even though he rarely skied preferring to help with the grandkids. These type of family outings brought great joy to his life.

*When we talked on the phone last week about a possible golf date, the conversation, as it usually did, quickly turned to an update on his family. Mike, Tammy, Sara, and Megan.....your father was absolutely beaming with pride as he talked about each of you last week. He truly loved each of you!*

*Cathy, I know no words can provide comfort in this moment. However, I'd like to share what Steve had expressed to me on many occasions. When talking about you, he would tell me that he was the luckiest person in the world. That having you in his life as a friend, a wife, and a companion was his greatest achievement.*

*On a personal note, Steve was a compass in my life. Whenever I got lost or off track, all I had to do was call him. Just a simple conversation with him would reset my path. He was always positive and helpful. His message was simple: Integrity, Compassion, Family First, and Love of Wife.*

*My friend, our golf date may have to wait a few years, but I'm sure you'll find a few courses in heaven to play. I will miss you!*

“ One of the kindest, fun-loving guys I have ever met. What a joy to be around and he always made golf a fun time. On our Garland trips-- while golfing, if he wasn't hitting the golf ball, he was throwing a football or the Frisbee or using his pocket fishermen on the course. Steve will be missed by all that knew him. Prayers to the Campbell families. RIP Steve.

“ Didn't find too many people that hit golf balls lower than I did....Steve's would never get more than 10 feet off the ground...yet go 260 yards! Great man so blessed to have known and enjoyed him!

“ Steve was the first to welcome my wife Laura and I to the neighborhood 2 years ago. Speaking about how friendly all the neighbors were and that we had made a good choice to move to Almont. We spoke of our children and grandchildren and what we did throughout our careers. Who would have known that we shared the same profession. Before Steve left he welcomed both my wife and I to join a small get together at the grass hut out back of his home so that we could meet his wife Cathy and some of the neighbors. He did add that Usher was the guest of honor that night. Steve my friend, you are the true definition of what a friend is. I will miss you. Gone too soon. ( As Usher sings) Your friends, Chuck and Laura
