“ Steve my memory of you always seems to revolve around laughter, kindness, Kathy's big brother, the Mick Family patriarch. I only heard wonderful stories of both you and Kim and the wonderful kind of support you've given every one and the support to Kim's brother, the support you have given Kathy, my best friend, over the years.

You will be so missed but you will always be in our hearts. I hope when you see Howard, Keith, Kim and my dad Tom you will make a toast to all of us here. Take care of all our families until we are together again. I will help in any way to show support to Mom Too, and my Kathy and will make sure they are always safe and loved. See you one day soon but until then.....

“ One of my memories of Steve was when he would get all of us neighborhood kids together to play football in front of his house or just up the street. We had the best little group of Peachtree-Sunnyhill'ers .RIP neighbor, until we meet again. All my love to your family
