“ My thoughts and prayers are with the Easterly family. Sue was one of the most amazing women I've ever met and I always considered her as another grandmother to me. She made working at Insalata such a great experience and I always looked forward to seeing her. Sue was such a smart, loyal, funny, and hard working woman who I learned so much from. She never failed to put a smile on my face and touched so many people throughout her life. I can still hear you yelling “Metsker” in the back of my mind. The world has lost such an incredible soul, but we are all so blessed to have known you. May you rest in paradise Sue Hoppe ❤️ ”

“ I'm so sorry for your loss. Your family is in my thoughts and prayers. I really loved, Sue.

I knew Sue my whole life, as she was my mom's best friend. I have such great memories from my childhood of her with mom, to playing at her house, to her dancing at my wedding, and her at my Son's graduation. I will miss you, Sue.

With love
