“ *I met Tanya back in 1965 when we were 19 year old sophomores at MSU, living in Campbell Hall. Thus began a friendship lasting 56 years. These past days I've done a lot of reminiscing about the crazy things our group of friends did in college! It made me laugh and it made me cry. Those were some great memories. Tanya loved teaching and her students. She was devoted to and loved her parents and her husband, John. I'll greatly miss our monthly lunches (pre-COVID) and our texts and phone calls during the shut down. My heart is aching. I love and miss you, Tanya. Rest In Peace.*

“ *Heaven just gained another beautiful angel. We will never forget Tanya and her selfless acts of kindness and friendship she had with our Mom for many years through teaching, retirement and sickness. We know they are together again and catching up. John, our sincere condolences go out to you and your family during this extremely sad time.*

“ *To have the ability to “light up a room” is precious, Tanya was able to do that. I was lucky to have taught in SouthLake and get to know her. John, you were blessed to have her as your wife.*  
*When you are ready, focus upon the following: “Sorrow Does Not Last Forever; Love Does.”*
