“ *I haven't thought about Terry for quite awhile, but this past Saturday Roger and I were remembering how much Terry loved his dog, Buddy. When Buddy died I told him to take a few days off to grieve his loving pet. When I was told that Terry died on Saturday I thought it was such a coincidence that we were remembering Terry on that very day. Terry was always a gentle soul and he loved his Mary. Whenever I see Coca Cola memorabilia I always think of Terry, now I will smile and remember him as an intricate part of our Radiology Family at Macomb. Hope you've got Buddy on your lap up there. Love, Denise and Roger Bigelow*
