“ I loved working for Terri. I worked with and for her for 10 in a half years she and her family became like a second family to me and I will miss her dearly.

My sincere condolences to the family, friends, and caregivers of Terri. I worked with her 20 years ago and remained friends ever since. She was a remarkable woman that carried herself with grace. May all that went before her welcome her home.

“ Terri was a childhood friend. She was an amazing athlete and so much fun to be around. She was a true earth angel knowing how to include everyone! Baseball in the street on Lowe Dr. was one of my best memories. I hope she soars and is free from pain. God truly has given us all a gift in knowing her. RIP my friend.
