“ *Annette, Michael, Chris & Family - Please accept our deepest sympathies for the loss of your dad. You were all such a big part of his life, and a huge comfort to him over these past months. It's very sad to lose him, but I hope it gives you peace knowing you were there for him. My favorite memory of your dad is meeting him for the first time and him asking Annette if I was on drugs... ;-)* Please let us know if there is anything we can do to help.
