

Thomas Raymond Gray Jr.

January 21, 1999 - July 29, 2021

Thomas Gray Jr., at the age of 22, passed away on July 29, 2021. He battled a severe case of necrotizing pancreatitis for 2 weeks in the MSICU at Troy Beaumont. Thomas was the beloved son of Tom and Renee, cherished brother of Laura, and loving boyfriend of Kaci Switchulis.

Thomas, at 6'7, was our gentle giant. Throughout his life he overcame many challenges, including mental health, diabetes, surgeries, and more. Through it all, he was always thinking of others. We will miss his goofy sense of humor and how his smile lit up a room. Thomas was a kind, sensitive, smart, and hardworking young man. He loved a good nap and snack and was able to recall random information you didn't even know you needed.

Thomas enjoyed spending time with his family playing games, movie nights, and going on vacations. He adored his pets, Jack and Doc. Thomas was just beginning his next chapter of his life with a job he liked, a woman he loved, and a house they were in the process of buying. He was finally in a place of genuine happiness and is now in a place of true peace.

His visitation will be Monday, August 2nd, from 4-8pm and Tuesday, August 3rd, from 1-8pm with a Rosary at 7pm at Wujek-Calcaterra located at 36900 Schoenherr Rd., Sterling Heights 48312. On Wednesday, August 4th, instate will begin at 9:30am at St. Paul of Tarsus Church, located at 41300 Romeo Plank Rd, Clinton Township 48038 with Mass at 10:00am. Memorial luncheon will be immediately following at Fern Hill Golf Club located at 17600 Clinton River Road, Clinton Township 48038.

In lieu of flowers, the Gray family is asking for donations to Know Resolve, an organization dedicated to promoting mental health and preventing youth suicide. You may donate at KnowResolve, @ <https://knowresolve.networkforgood.com/projects/77563-donate-now> or write a check out to "Know Resolve", or you may give cash or check to the Gray Family.

“ *Thomas, you were the most kind-hearted person I ever met. You light up every room you walked into. In chemistry, you used to make fun of how little I was compared to you and how I always got stuck sitting behind you in every single class. You never failed to make everyone laugh. Such a determined, amazing, funny, sweet person you were. You will be forever missed by so many people. You fought for as long as you could and I am thankful that you are no longer in pain.*
