“ Tom & the Korfel Family have been a fixture my life from the very beginning. As a child visiting Du-All, Tom was always willing to indulge me with soda or treats they had in the office. I remember feeling like Bill & Tom were the coolest - they always seemed to be working hard, but having fun.

Tom was like an uncle, Tom was my confirmation sponsor, I bought my very first car from Tom (Silver 1982 Toronado - anyone remember that one!?), and he was even my boss when I worked for Du-all in the late 90s.

My love & condolences to the Korfel Family, words can't express. Thank you, Tom, for having been a part of our lives. You will be missed.

With Love,

- Anthony

“ So sorry I cannot stop and give my condolences. I have come down with the flu or covid. Tommy was one of my best friends growing up. The best memory was him making me a peanut butter and jelly sandwich with lots of peanut butter. I will always remember that. RIP Tommy.

“ Tom was a regular skater for 30+ years at Skate World of Troy. He skated many years at the matinees w/his daughters then as they grew up he skated Wednesday adult night. Tom will be greatly missed! Usually, him & Rod were the 1st two in line on Wednesday evening. We'd chit chat before skating started. Rest in peace Tom.

Love,

Darlene

“ I was lucky to know Tom. He hired me in 2009 as customer service & order entry. Tom was always the first person in to unlock and get computers up. I was usually second to arrive. We had many wonderful chats about our families, children & grand kids. Tom was a very proud father & grandfather. Usually called his daughters, doll, how sweet.

Was fun to hear Tom interact with customers and some of his unusual comments, which still make me smile to remember. Always fun to have the Tiger game broadcast in the store, Tom was an avid fan.

My sincere sympathies to Yvonne, Lisa, Laura and family. Tom will be sadly missed.

“ Tom was my godfather and a fixture in all important childhood events, birthday parties and frequent dinners spent either at our family's house or the Korfels. He was always calm and kind, full of joy and genuinely interested.

In early adulthood I had the privilege of riding in his gorgeous classic car during one of the cruises, I remember feeling so cool in that passenger seat! After moving away, I looked forward to our chats when I visited and stopped by Du-All, getting to hear about his adventures with the family, especially with his grandkids.

Dear Yvonne, Lisa, Laura and the entire Korfel family, no words can express the size of your loss, my thoughts are with you.

“ *So sorry to hear about Tommy, got to know him well when we both played for his Dad's baseball team the Lancers many years ago. I will always remember when we were in class together and someone from the school came by and requested Tommy to the administration office, where he found out his Dad had passed of a heart attack. That is hard to lose your Dad at such a young age.*

“ *Hopefully you were lucky enough to know my brother Tom. Luckier even if you were loved by him, but I was the luckiest of all to be his baby baby sister. If you lucky enough, then you have been touched by someone that you will not soon forget... There has never been a me without you.. never a day that I wasn't grateful for your presence.. you raised me.. the best part of me is you. Your life isn't just a book but a series of novels well written with your witty humor,, your kindness,, your heart full of joy and love for your family. I don't think I ever thanked you for your patience, guidance and strength.. I took for granted you would always be there,, like you always were.. How about his smile... man didnt he have the best smile or what? He wore it like his signature but then mention father, grandfather and his heart would puff out of his chest like a proud lion. His Von (that's what he calls Yvonne), been together 50 years. She was 14 years old. Please keep her in your prayers. Tom would say Von.. shes my rock, my strength, my everything. Not a day will go by that his loss won't be felt. In the end, it was his body that failed him, not his will if he could be here he'd say "Von.. our story isn't over yet." Then he'd say... "See you again someday Jay Whooper Bee (that's me)... but now his final chapter has been written and his absence will forever shatter my heart. I love you my brother.*
