“ There was never a visit to Tim & Sylvias that you were not treated like family. They are happily dancing once again... Prayers for the entire family.

“ Daddy.....you were my hero. I miss you so very much!!!I have such fond memories of the horsey back rides, you and Mom's wedding, , you teaching me to ride a bike, adoption day(we were all so very happy), how our family was so close knit, and you also having a heart like a hotel, our family grew. It was fantastic. I just can't believe that you were taken so quickly by COVID! It hurts but I have solice knowing you got your wish and are with Mom. Give love to the Father and until we see each other again, dance the night away with Momma like you used to! I love you so much!

Dadee thank you for all your support and love over the last 30+ years. You were the kindest and most car8ng person I ever knew. I remember when Shaun wanted a drum set and we couldn't afford it and you and mom gave him a drum pad. He played it for years. You always helped out when we needed help with the kids. Enjoying dancing with mom.

Oh Tim where do I start? You have been a part of my life since I was 20 years old! Every holiday-every wedding-so many vacations -so many nights in the early years getting together to play cards and even some sleepovers when Debbie, Jim, & Diane looked forward to being together as much as we did! You were the couple we all aspired to be-I'm sure there must have been rough patches along the way-after all my sister was well my sister and could be a little fiesty if needed! But you always went along with her plans to get our family together and I know we all had such fun times with you! So now it's her time to have you and we will just have to wait awhile to see you both again -until then just know you were the best brother I never had
