“ *To the Cornett Family,*

*My heartfelt sympathies to you. I am just learning of the passing of my dear friend, Veronica, and my heart aches. She was an extraordinary woman! We first met at Campbell-Ewald, and despite our nearly 50 year age gap, bonded like great friends! Veronica became like family to me. We would often chat in the office about life, our shared Catholic faith, our families -- and she always spoke of her dear Norm, and wonderful sons, grandsons, and daughter in law with such joy! I only hoped to find a spouse to emulate the same kind of love and family that she created. In 2010, I found that partner and got married, and Veronica was there to celebrate in our happiness! What a gift to have her there.*

*Veronica loved to show off her beautiful and sprawling garden when I'd visit her lovely home, and would never forget a birthday or Christmas with the most creative, hand-made, beautiful card! She continued this with our two sons, Ben and Nicholas. They loved it!*

*I will forever remember Veronica with such love and joy. I hope and pray I can emulate her strength, optimism, and passion for life throughout my life's journey.*

*God bless you, beautiful friend. I love you.  
Megan*
