“ Really a great funny lady. Was a friend and neighbor for many years. She helped me get a job at the candy factory where we had so much fun. Have so many good memories and she had a heart of gold.. She was one of a kind. You lost your best friend Judy a couple weeks ago and now you will be back together again still having your coffee and your gossip sessions Heaven will never be the same with the two of you having a great time together.

Love and hugs to all the family. I know she will be missed by all.
Love, Diane Daniel
