“ I'm Andrea Coatneys "eldest" lol . I can honestly say I will miss Virginia. I remember we had a party down in her basement and I accidentally broke a plate and I cried thinking I was gonna get smacked so I ran back to Grandma's house across the street and admitted I broke the dish but Virginia knew it was an accident so she didn't hold it against me. I also remember she'd always offer me a Pepsi when I came over 😭 I always loved it cause my mom loved coca cola and I liked Pepsi. I often kept Aunt Virginia and Uncle Frank company when I stopped by and they enjoyed me because it wasn't often enough that I came by. I wish I had called or came over more toward the end but at least now Virginia, Frank, grandma elsie and Grandpa Russ are all keeping each other company. RIP Aunt Virginia ❤️

“ On behalf of the Capuchin brothers I offer my deepest sympathies on the passing of Virginia. It is truly humbling to receive memorial donations in honor of Virginia's life. Please be assured of the brother's prayers for the entire Wisniewski family during this great time of grief. May perpetual light shine upon Virginia.

*Dear dear Aunt Virgie! She was a sweet, funny, giving and caring soul. She religiously came to visit our Anna Taylor at the American House nearly every weekend -- taking part in all the crafts and activities and making everyone laugh. We will miss her bubbly personality and huge heart. She was truly one of the pillars of the family. We will miss her voice and her laugh.*

*Rest in eternal peace, Aunt Virgie!*
