“ *My Dear Vito my Husband words cant express how I feel now after really accepting you are never coming back home. I have been so mad and upset at you for not listening to the doctors nurses pt aids you were a rebel for sure. We had some great times we had fun you were the best dancer ever. You excepted me and my sons. You loved my parents as they loved you. You loved our beautiful little granddarlings so much You were always the Life of any event any party no matter were we were everyone seemed to know my Vito lol. You were funny so funny. I at times didn't get your jokes but when I did they were so funny. As we aged things started to slow down but we still danced even at home lol. I will miss you it's so unfair you had to leave like this. I mean you beat lung cancer who quits smoking cold turkey after smoking for 45 years you did. You beat ammonia twice but this time after this dam car accident you didn't wanna fight anymore. I begged you so many times and you having such a hard head didn't want to fight anymore. You were tired ? I accepted it but I was so mad at you for not pushing yourself to get better. Vito it's ok I know you will be around me. I bought a tomatoe plant and I know why it's not growing it doesn't have your touch. It's been sitting on the patio and just wilting away lol. I will miss you my husband. Love you forever until I see you whenever my time comes. God Bless you I love you-your Mary your wife This will be one of my hardest journeys but I know my God will be by my side. Good Bye my Vito my Love 🥺*

“ Dear Vito, I don't know where to begin ?? You were always the life of the party! I sit back and remember all the fun times we had over the almost 40 years Jim and I have been together! From your crazy sneezes, to the bars, of course in our younger days, to the family get togethers, and don't forget the good fight. From the club picnics and the steak sandwiches, the dinner dances and our peach schnapps. It was always fun to visit you and Marisska and I always enjoyed our visits!! You were like a brother to me and I felt very comfortable around you, you always excepted me for who I am no matter what!! Thank you for welcoming me so wonderfully into the family so many years ago! I'm gonna miss you terribly! Until we see each other again ! ❤️❤️ Love, Judie

“ My uncle Vito Was always fun to be around, we always used to tease each other and I have such great memories of my childhood up until now with my uncle, every time I make the ‘S’ cookies I always will think of him, those were his favorite. I always looked forward to the holidays when my uncle Vito would come he was the life of the party, one of my favorite memories was a huge food fight in my moms basement, cannoli and cream puffs Were flying everywhere at everyone, it was a huge mess but we had lots of laughs that was so much fun and I always will remember that day. Uncle Vito will always be in Our hearts and will be truly missed, Rest in peace uncle Vito with Lots of Love, Rose & Anthony Barracco And family ❤️

“ My uncle Vito and godfather will truly be missed. He was a great godfather. He was always generous and had a good heart ❤️ . We had lots of laughs with him and great times. I remember he loved cooking and would even cook pasta on holidays at 4 am. Everyone loved playing cards with him . Lots of family and friends will remember him playing a card game, with a cigarette in his hand and joking around. You will always be in our hearts . Rest In Peace now uncle Vito. “ My uncle Vito had such a wonderful personality and sense of humor. He will be missed by many. I have such fond memories of him especially during my childhood. He was always the life of the party and knew how to put a smile on everyone’s face. He enjoyed playing cards and family parties. I always remember him when i was a kid with his leather coat, slicked back hair, and his black firebird car. He was very cool and brought any event to life . I vividly remember when a room was really quiet during a gathering he would sneeze loudly on purpose (ahhh Ching!) to make everyone jump out of their chairs and lighten the mood. We will never forget him and will always ponder these special memories in our hearts . I pray he is resting in eternal peace with our Lord and Savior Jesus Christ and is rejoicing in the kingdom of God with his loved ones who passed on before him . His thoughtfulness and warm heart ❤️ will always be remembered. He was a big part of my childhood memories and will always bring a smile to my face. I also pray God brings his family here on Earth peace and comfort during this extremely difficult time . I’m asking Jesus to let him know we love and miss him 🙏 Rest in eternal peace Vito Previti ❤️ All our love and prayers, Joanna Chirico (Previti) and family
