“ I never had an opportunity to meet my half brother, but through my brother Letcher Asher. When my brother Letcher was in the Marine Corp boot camp, is how and when we knew or discovered we had a half brother.

i wish we could have met and had an opportunity to know each other. My brother Letcher was close to him, as well as my other brother Jimmy knew him. I am really sorry to have just learned of your father's passing, today, February 1st.

From what I knew of your father over the years was through my brother Letcher, who admired your father a lot. He has shared many stories over the years about your father that I so enjoyed.

Hope you and your family are remembering the love he had for you, his unique humor, and what a kind man he was.

With deepest sympathy, Virginia Neal Asher Harper.
