

## William "Billy" Nick Meffer III

November 4, 1997 - August 14, 2020

MEFFER, William "Billy" Nick III. Passed Suddenly on August 14, 2020, at the age of 22. Beloved son of Alexa Catalina and William "Bill" Meffer Jr., and stepson of Joseph Tocco. Loving brother of Amanda "Mandi" Meffer and Michael Meffer. Treasured grandson of Eric and Sherry Catalina, Patricia and the late William Meffer Sr., Agatha and the late Fred Tocco, and great grandson of Frederick Less. Billy is also survived by many loving aunts, uncles, cousins, and friends.

William enjoyed fishing, nature, and the outdoors. But, his true passion was pajama weekend with his dad and siblings binge watching any urban fantasy series. Lake life at his grandparent's cottage in Walhalla, MI, was his favorite place to be. He often reminisced about cottage family 4th of July celebrations as it was a highlight of the year. William enjoyed spending time with his great grandfather, Papa Less and learning about times gone past; a subject they both enjoyed talking about. He also enjoyed spending time with his girlfriend, Halia, a special bond never forgotten and forever thankful for. With light in his face, he enjoyed learning everything construction as well as Tim Hortons coffee from his stepdad Joe. Because of this, the two of them are forever bonded, as this connection was a gift to them both. He adored the family husky, Sophia, and she equally adored him back. She is lost, as we all are without him. With his kind and caring heart, William was a joy to those that knew him. Integrity is something he held with pride - exactly what every parent strives for in life. His mom, will deeply miss being enveloped in his 6'4, bigger than life hugs - something truly special. We were blessed to be part of his life. Our hearts are broken as William will be missed by everyone that knew him.

“ He always gave 110% and showed love to all! I will never forget when he would come do work for me! He showed his pride and would tell you when it was good enough for him to say it is done! He completed everything that was asked of him and he smiled when you told him what a great job he did! Remember, he was a young, tall, well-trained painter and jack of all trades at 20 yrs of age!!! Today that is rare, and he was one-of-kind!!! We will miss him dearly!!! Love Joe and Kelly Chirco

“ I will never forget going up north to Walhalla with my boyfriend William. We went several times, but one trip in particular I will hold especially close to my heart.

*It was a cold day in late October, but we insisted on going to Ludington Beach together, because well...his crazy matched my crazy and we just didn't care. Upon arriving the first thing he wanted to do was walk along the sand wall and roar like he was king of the world. Because of his large size, the wall caved and he tumbled down, covered in sand and dirt, which sent us both into fits of laughter. Immediately after we walked down the beach and noticed a butterfly getting tossed along the shoreline by the freezing autumn winds. He scooped it up and insisted on saving it, because that's who he was. A gentle giant with a caring soul...*

*We drove a short ways and let it fly into the woods, and I'll never forget his smile of relief. Such a small life we saved together. I will miss him forever. He was my best friend*

*My twin flame. My person. Life will never quite be the same, but he will live on forever in my memories and in my heart.*

*William was such a loving, large presence. I am heartbroken. I miss him when he would come to my home, flash his big smile and say "Hi Mumsey" while giving me the biggest hug. His gentle soul and infectious laugh will always be remembered. My deepest sympathy to his three Parents whom he often spoke so fondly about. In the last few years I've heard many stories of his Grandparents, sister and brother. His deep love of family was immediately made apparent from the moment I met him. Although I didn't know him a long time I will remember him forever. May you rest peacefully. With all my love and prayers to his family and friends.
