“ Heres to my one-of-a-kind Uncle Al Malinowski! Id add cheers to you but then it might remind everyone of the time I was naughty and took my first sip of alcohol in your basement bar under the pretense of needing a 7 & 7 for someone upstairs. As a kid, your collection of wild and crazy booze bottles were mesmerizing Uncle Al. I would just love it when you took the time to walk around your basement and show us your latest additions. With all of us kids running around your prized possessions during our family celebrations, I dont know where you found the patience not to yell at us all. Being the kind soul that you were, you always had a soft spoken voice and true heart of gold. Holidays were always a special time for me when I would marvel at your creativity and enthusiasm when you outdid all of your neighbors holiday lawn displays! You even shared your exceptional decorating skills by lovingly building flower boxes in the cemetery for all of our family members. I enjoyed going there many times to see what new flowers you had planted and what new color of paint you used to add some spice to our familys area. You were so sweet to care so much about everyone else Uncle Al. I will miss seeing you at our family gatherings Uncle. I will especially miss seeing you proudly show off your latest, greatest battery operated singing and dancing contraption. I swear, each year you found the craziest one you could, just to make us kids laugh! We all knew that you were the biggest kid of all though. And we loved that about you! You never could hide the childlike sparkle in your eye and that ear to ear grin when you would bring in the big box of cookies you had baked for our Christmas parties. We all loved the snowflake ones with the white powdered sugar. They were so special. We waited all year for Santa Claus and for Uncle Als snowflakes! It was a good thing that you took the sting out of waiting by baking a few tasty pies for us to eat at Thanksgiving, yum! I am so proud to have known you and so very grateful to my Aunty Jo for marrying you because that gave me the greatest blessing, having you for my Uncle. You were one-of-a-kind Uncle Al and I will treasure the fun times and laughter we have shared as a family. Love, your niece Amber P.S. Please watch over us all from heaven and be our guardian angel. I know you have had lots of practice in that role already. XOXO

“ Dear Jo & Family, There are no words to express our feelings the way we would like too. We don't remember a time that we've seen Al that he didn't have a smile on his face and always seemed to look at the bright side of life. I remember in one of our visits when things weren't going just right, what he said always stuck with me. Al said, no matter how bad things look they always have their way of working out. I never forgot those few words. He will always be one great guy in my eyes. (Ernie) Jo, remember my one and only roller-coaster ride when you and Al took me for a week-end visit. And then after that one scary ride I'll never forget how Al had the guy guess my weight and boy, was he wrong!!! (don't get the wrong idea , I was lighter than he guessed) And I won a cupie doll and we all laughed a long time over that. Thanks for the memories Al and you also Jo. (Patsy) Al, we will remember you always. With All Our Love, Patsy & Ernie

“ We would like to extend our heartfelt sympathies to the Malinowski family for Uncle Als passing. Some of my fondest childhood memories were holidays at the Malinowskis; jumping off the garage roof into their above ground pool in the backyard; ogling Als massive bottle collection behind his basement bar; running around the house, hiding under coat-piles in the bedrooms. Uncle Al was always so easy-going and jovial. No matter what kind of mischief we kids got into (and there certainly was a lot of opportunity) Al never seemed to get too terribly angry. Maybe it was the festivity of the event but I like to remember Al this way with a smile on his face and fun to be around. Best wishes to Joanna, Jeffrey, Donna, Kathy and Daniel.
