“ Alicia was my friend and confidante. We worked together for 14 years and shared so much. I miss her dearly. I love her and am so grateful for her friendship. My thoughts and prayers go out to Lyla and Landon. And to her parents and brother. Heaven surely gained an Angel. Until we meet again my friend.

“ I am so incredibly sorry for the loss of Alicia and her husband last year. Landon and Lyla are such amazing kids because of you both. We are devastated for them. Please know Alicia, we will miss you dearly, and that we will love and care for your beautiful children for you. We are all a very poor substitute for you, but WWCS, is a very loving and strong village and will try our best to make make you proud. Be blessed dear one and be free of any struggle and pain. Jesus has you in His loving arms. You are so loved and missed. ❤️

“ Alicia was my daughter Ariel’s Speech teacher! She took a little girl in kindergarten that was barely understandable when she spoke all the way to 5th grade where her vocabulary and speech was outstanding! I will forever be thankful to you! You have my daughter a voice! Rest In Peace!

“ I am so sad to hear about Alicia. She was my sons first teacher/speech teacher when he was diagnosed with autism. She was a ray of sunshine in a time when I needed her. I pray for her children and family! God rest her soul.
